

中国卫星导航年会

The 12th China Satellite Navigation Conference (CSNC 2021) (Notice No.2)

The 12th China Satellite Navigation Conference will be held in Nanchang, Jiangxi Province, China on 26-28 May 2021 and people from all walks of life are welcome to attend this conference. The notice on conference participation is as the following:

1. Dates and location of CSNC

Dates: 26-28 May 2021

Conference location: Primus Hotel Nanchang International Expo City

Expo location: Nanchang Greenland International Expo Center

2. Conference registration

This year's CSNC has adopted two types of registration and payment methods, i.e. online registration and payment and on-site registration and payment:

(1) Online registration and payment:

PC end: Online registration and payment will be opened on 16 March 2021 and the deadline is April 30 2021, 24:00 (registration handed

中国卫星导航年会

in after 1 May will be regarded as on-site registration). During the conference check-in, please use the registration QR code or invitation code for check-in and obtain conference materials with valid permits (i.e. valid permits used for online registration and payment). For online registration and payment, please visit the website: <http://www.beidou.org>

Mobile end:

(a) Follow the official WeChat account of CSNC (“中国卫星导航年会”), click on “Conference Service – Conference Registration” and skip to the applet “CSNC” (“卫星导航年会”) for registration.

(b) Register at the applet “CSNC”.

(2) Onsite registration and payment:

After the online registration and payment system is closed, conference representatives can register for the conference and pay the conference fees via on-site registration. The dates and location of on-site registration are the same as those set for conference check-in.

Onsite payment methods: WeChat, Alipay, cash and cards (savings cards or credit cards with UnionPay logo)

(3) Conference registration fees:

Online registration and payment: RMB 2000/person; RMB 1200/person for students (one-time registration fee for ≥ 10 students can enjoy 5% discount for group ticket purchase);

On-site registration and payment: RMB 2500/person ; RMB

Attachment

Professional academic sessions of the 12th CSNC

S01	Satellite Navigation Industry Applications
S02	Satellite Navigation Popular Applications
S03	Satellite Navigation System and Augmentation Technologies
S04	Satellite Orbit and Precise Positioning
S05	Time Frequency and Precise Timing
S06	Autonomous Navigation and Intelligent Operation
S07	Satellite Navigation Signal Processing
S08	User Terminal Technologies
S09	PNT System and New PNT Technologies

High-end forums of the 12th CSNC

H01	BDS Application and Industrialization Forum
H02	BeiDou Industry Park Development Forum
H03	Policies, Regulations, Standards and Intellectual Properties
H04	BeiDou+Education Forum
H05	Forum on BDS Application for Central State-owned Enterprises
H06	Forum on BDS Publicity and Promotion
H07	Forum on Integrated Development of Satellite Navigation, Communication and Remote Sensing
H08	BeiDou+Intelligent Ecology Forum
H09	BeiDou+Manned Spaceflight Forum
H10	BeiDou+New Infrastructure Forum
H11	Forum on BDS Application in Aerospace
H12	Forum on BDS Application in Jiangxi Province
